**Asset Pricing:**

Values reflected for publicly-traded assets are provided by unaffiliated financial industry sources believed to be reliable. Values for non-publicly traded assets may be determined from other unaffiliated sources. Assets for which a current value is unavailable may be reflected at the last reported price, at par, or may be shown as having nominal or no value. Reported values may not be the price at which an asset may be sold. Asset values are updated as pricing becomes available from external sources, and may be updated less frequently than statements are generated.

**Trade Confirms:**

Pursuant to federal regulation, monthly or quarterly account statements that include investment transaction details may be provided in lieu of separate trade confirmations. Separate trade confirms may be obtained at no additional cost upon written request to the account manager.
