## RFP FINAL SCORING

The presentation/interview scores and final combined scores for the Arena Site RFP will be posted after expiration of the deadline for all presentation/interview scores. The RFP final combined scores will be created by adding the initial proposal scores to the presentation/interview scores ("Final List"). No legal action or votes have been taken in the creation of the Final List or on the Final List itself. Pursuant to the Arena Site RFP and Arizona's open meeting laws, the District Board retains the authority and may vote in public session (a) to commence negotiations with the highest scoring proposer in the Final List, (b) to terminate the RFP, or (c) to take other action the Board deems appropriate related to the RFP. Any legal action related to the Arena Site RFP will take place by a vote during the Board's next public meeting
