Recitals

A. The District has been organized pursuant to A.R.S. § 48-4201 et seq. (the "MFD Laws") for the purpose of developing a multipurpose facility, as defined in A.R.S. §48-4201.4 (the "Project"), to be located in the District and generally in the areas identified and depicted as the multipurpose facility site on the map attached hereto as Exhibit "A" and by this reference incorporated herein (the "Site").

B. The Municipalities organized the District pursuant to Intergovernmental Agreements through the adoption of Resolution No. 18347, adopted by the Mayor and Council of the City of Tucson on July 19, 1999 and Resolution No. 9917, adopted by the Mayor and Council of South Tucson on July 19, 1999. Except as otherwise provided herein, the prior Intergovernmental Agreements between the Parties are hereby amended and restated in their entirety.

C. In 2009, the Arizona Legislature adopted significant amendments to the MFD Laws with the adoption of Senate Bill 1003 (approved by the Governor on November 23,2009), which changed the composition of the District Board and its officers and modified a variety of statutory provisions relating to District. ("2009 Amendments").

D. Due to the significant changes included in the 2009 Amendments to the MFD Laws, the Parties desire to amend and restate the Intergovernmental Agreement that governs the relationship between the Parties, and the Parties’ desire to permit the District unilateral ability to amend their Administrative Rules that govern the District pursuant and subject to the terms of this Agreement.

E. Pursuant to A.R.S. § 48-4203(A)(3) and A.R.S. § 11-952 (Article 3, Chapter 7, Title 11 of the Arizona Revised Statutes), the District and the Municipalities may enter into this
Agreement as an "intergovernmental agreement" with one another for joint or cooperative action and to jointly exercise any powers common to them.

F. Pursuant to A.R.S. § 48-4202(G), the District is a tax levying public improvement district and a political taxing subdivision of the State of Arizona and has all of the powers, privileges and immunities granted generally to municipal corporations under Article 1, Chapter 26, Title 48, subject to limitations imposed by intergovernmental agreement and the ordinance or resolution authorizing the formation of the district.

G. Pursuant to A.R.S. § 42-5031(D), in order for the District to qualify for payments of multipurpose facilities revenues under that section, the City of Tucson must agree to make a financial commitment by intergovernmental agreement between the municipality and the District to make direct payments to the District from any lawful source, including municipal transaction privilege taxes or to expend monies for land, infrastructure or other improvements directly related to the multipurpose facility or the multipurpose facility site, by the end of the date referred to in A.R.S. § 42-5031(A) in an aggregate amount equal to the amount received by the District pursuant to A.R.S. § 42-5031.

H. The District and the Municipalities hereby desire to and enter into this Agreement in satisfaction of the MFD Laws and to memorialize certain agreements regarding the District as set forth herein.

Now, Therefore, in the joint and mutual exercise of their powers, and in consideration of the above promises and of the mutual covenants herein contained and for other valuable consideration and subject to the parameters set forth herein, the Parties agree as follows:
