Rio Nuevo District

Effective July 1, 2003, business activity and tax collections occurring within the Rio Nuevo District must be reported separately on the State of Arizona TPT-1 return. The Region Code PAD should be used in place of PMA for all business activity occurring within the Rio Nuevo District. Activities will continue to be reported by TPT class. The tax rate applied to Region Code PAD Business Classes will remain the same as that applied to PMA Business Classes.

For example, if your business has retail activity within the Rio Nuevo District in Pima County, that activity should be listed on the State of Arizona TPT-1 return as PAD 017 instead of PMA 017. All transactions not located in the Rio Nuevo District should continue to be filed under the specific county code. If your business has multiple locations within Pima County, only the transactions at the locations within the Rio Nuevo District should be filed under Region Code PAD. All remaining taxable activity should be filed under PMA.
